DRIVING INSTRUCTIONS FROM MALAGA

From Malaga, first follow the signs MALAGA and then the signs MOTRIL / ALMERIA. You will then automatically get on the motorway A7/E15. Just keep following the motorway and once you have seen the exit to Torrox, please pay attention and take EXIT 292, NERJA – FRIGILIANA.

Once you have taken the exit you will come to a roundabout where you go left, following the indications FRIGILIANA.

Then another roundabout where you go straight, again following the indications FRIGILIANA.

After approx. 3km you will be approaching Frigiliana and will come to a somewhat strange roundabout where you take the third exit to the right – in other words, you should go straight, not to the right entering the village.

Keep following this road and after 900m there is roundabout where you turn to the left (the centre of Frigiliana is to the right).

Keep following this road that passes by the village on the west side (so you will have the village on your right hand all the time). At the end of the village, after another 900m, there is new roundabout where you turn RIGHT.

You are now on the street called „Calle Rosarico de Joaquin“ – just keep driving straight for 400m

You will soon see a sign that says that only residents have access. Keep following the road but please drive slowly. At the end there is a fork. Go left and drive up as far as possible, then park your car to unload your luggage.

You will have to walk for a few meters. The road changes into a sidewalk that goes up with several steps and turns to the LEFT. Please ring the bell on number 11 (2nd door on the left side, a big antique door) because here we live. The house is located the door before us (number 9), is Antana. your destiny

We wish you a pleasant stay! Please don't forget to park your car somewhere else after unloading your luggage because you're not allowed to park where you unloaded! Thank you.
