Urb. Cortijos San Rafael

C/ Mirador de los Almachares, N.3

29788 FRIGILIANA (Málaga)

Directions: for "Hazilla de Raya from Malaga airport.

To make these directions easier to follow, set the odometer (mileage meter) in your car to zero as you leave the airport. Then the left-hand column in the table below will be the kilometres you have travelled from the airport. If you can't zero your odometer, or forget to, don't worry. The directions will still work. Your journey will take about 40 minutes and will cover 66 km, 62 of them by motorway. You will drive 4 km from the airport to get on the motorway, and then 62 km on the motorway to the meeting point. Easy.

Km	Directions
0	Drive out of the airport. After just 0.3 km you will encounter a roundabout and dual carriageway.
0.3	Go straight-on at the roundabout (remember to turn right and go around it counterclockwise!) The San Miguel beer brewery is on the right. Keep in the left lane (of the right-hand carriageway).
0.5	Continue and your road will immediately go up and over the main coastal highway, then curve right and down to join that coastal highway, the "M-21", going towards Malaga city centre.
1.4	Join this coastal highway and continue for 2 km; get into the right lane, ready to exit right.
3.4	Exit right, up the slip road signposted "MA-20, Motril, Antequera, Sevilla, Granada". This will curve left and down to join the motorway "M-20". Stay in a centre lane, for "Almeria". This motorway will take you all the way to the Nerja exit, just 2 km from the house.
8.3	After about 5 more km you pass through a tunnel. This is just a reference point. Keep going.
15.0	After a while you'll leave the Malaga city area. The road number (overhead) changes to "A-7 and E-15 for Almeria". Notice the small kilometer marker signs along the right edge of the motorway. They appear every kilometer and motorway exit numbers are based on them. Keep going.
46.0	At Exit 272 there is a modern shopping mall on the right, called "El Ingenio". Don't exit; keep going. This is just a reference point for you. You will soon start to see "Nerja" on the road signs.
66.0	Watch for Exit 292, just after a tunnel, and take it. This is the exit for Nerja and Frigiliana.

	
	<p>Go off the motorway, up the slip road and keep left onto the roundabout. (Keeping right takes you into Nerja – the wrong direction.) Go around the roundabout and take the third exit, so that you go across the motorway. The road you want is sign posted "MA-5105 Frigiliana".</p> 
	<p>Cross over the motorway to an immediate second roundabout and go straight-on, again signposted "MA-5105 Frigiliana". You are now less than 2 km from "Casa Dachita".</p> 
67. 3	<p>Continue up the road, climbing and curving. After 1 km you will pass a "1Km" marker on the right. Another 0.3 km and the main road curves sharply left; a right-turn minor road goes straight ahead. Take this right turning going between walls on either side. A sign high on the left wall at the junction says, "Cortijos San Rafael" and below, "Camino de la Maquinilla".</p>

67. 4 Continue another 100m and take the first right, in front of a large palm tree, turning sharply right (hairpin turn) and around into a road named "Mirador de los Almachares" (sign on wall, on left).

67. 5 After 100m the road dives down to the left (ignore the narrow road straight ahead)

You will see a small house on the right, "No 2, Casa Dachita". Drive down the road, slowly, in a low gear. After another 100m your villa, "Hazilla de Raya" is on the left. Turn left into the parking area just past the large algarroba (carob) tree. You have arrived!

Enjoy your visit! Note: when driving back up the hill, some people find it easier to go 60m down to the bottom to turn around before driving up.
